

CENTRE FOR FUTURE SKILLS

PDA COLLEGE OF ENGINEERING

**LEARNING PARTNER
ETHNOTECH ACADEMY**

National Skill Development Corporation CEO Message

Mr. Ved Mani Tiwari
CEO , National Skill Development Corporation

Dear Friends,

We all are aware of the prominence that future skills hold and at NSDC Academy, we are committed to empower our youth and make them future ready. With this vision, our 'CENTRE FOR FUTURE SKILLS' will prove to be a dynamic hub of innovation.

Through strategic partnerships with industry leaders, our aim is to build a path for our young minds where they redefine possibilities by becoming proficient in emerging technologies like Artificial Intelligence (AI), Machine learning (ML), and Robotics. I am certain, that the Centre will bridge the gap between aspirations and industry demands, standing as a beacon of opportunity where youth can access transformative training, attain certification and brighten their future.

President's Message

Dr. Bhimashankar. C. Bilgundi
President
Hyderabad Kamataka Education Society

Dear Friends,

In an age when ideas and commerce fly instantly across the globe, the PDA CENTRE FOR FUTURE SKILLS aims to connect all stakeholders such as our students, faculty, Industry and parents to achieve our common goals through a common stage.

Inspirational truth goes beyond borders and boundaries. It is a bridge to understand the world and our purpose in it. PDA CENTRE FOR FUTURE SKILLS engages in teaching and learning great respect to all stake holders. I look forward to see students of POOJYA BASAWARAJ DODDAPPA APPA College of Engineering gain the knowledge and develop the great academic capabilities that will allow them to build bridges of their own across the world.

Chairman's Message

Dr. Kiran K Rajanna
Chairman
Ethnotech Group of Companies

Dear Friends,

No time in the past, has there been so much importance given to technology intervention in all aspects of life. As responsible citizens and academicians it is of utmost importance that we equip our present and future generation with all the required expertise to help assist them prosper in the future endeavors.

PDA CENTRE FOR FUTURE SKILLS is our ambitious step in this direction for assuring quality, practical, technical training to the students in the region. I sincerely hope that the students and the parent's community support and work with us ensuring a brighter future.
